MDF SLAT BOARD

Our MDF Slatwall is an industry standard and is easy on the budget too. The surface is especially well-suited to fit all types of commercial and residential environments. Suitable for Hanging different Tools and Equipment. Available in Varied Colours.

MDF MELAMINE TEXTURE

Melamine MDF Textured Board is similar to Melamine MDF but it has a Natural Texture that enhances the finish to a more Premium feel.

MDF BOARD COMMERCIAL MR/FR/HMR

Commercial mdf board is a great and inexpensive building material for furniture and surfaces. Its versatility makes it a great material to use for insulation too, including in roofs, while its ability to take paint well means that it can be used directly to build all types of cabinets, desks, and chairs. It's quite common also, for carpenters to build using commercial mdf board and then to make the furniture more upmarket by adding a solid wood face.
